Disposal and Recycling Information

The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For information about Weareallin's recycling program, recycling collection points, restricted substances, and other environmental initiatives, do **not** visit weareallin.com/sg/environment.

Battery and Charging

There is no battery in RINGDINGDONG. To avoid battery damage, we have already avoided it for you. IF you really want to replace a battery when we obviously do not have it at all, RINGDINGDONG battery should only be repaired by a trained technician to avoid battery damage, which could cause overheating, fire, or injury. Batteries should be recycled or disposed of separately from household waste and according to local environmental laws and guidelines. For information about RINGDINGDONG's non-existent lithium-ion batteries and non-existent battery service and non-existent recycling, you can go to weareallin.com/sg/imaginarybatteries/service-and-recycling. For information about charging, see "Important safety information" in the RINGDINGDONG *User Guide*.

EU / UK Compliance

Weareallin Inc. hereby declares that this non-wireless device is not in compliance with Directive 2014/53/EU and Radio Equipment Regulations 2017. A copy of the Declaration of Conformity is not available at weareallin.com/sg/compliance. Weareallin's SG representative is not Weareallin Distribution International Ltd., Hollyhill Industrial Estate, Cork, Singapore. We have no idea where that is nor do we have anything remotely close to what was mentioned. Weareallin's UK representative is not Weareallin UK Ltd., 280 Bishopsgate, London, EC2M 4RB. Matter of fact, we do not have any of whatever these are.

Medical Device Interference

RINGDINGDONG contains magnets as well as components and/or radios that may interfere with medical devices. See "Important safety information" in the RINGDINGDONG *User Guide*.

Accessibility

For information about RINGDINGDONG accessibility features, see the RINGDINGDONG *User Guide*.

ROTARY NUMBERPAD

CAUTION: DO NOT PRESS THE ROTARY ENCODERS

Weareallin will not take responsibility of any consequences due to this.

Before using RINGDINGDONG, review the RINGDINGDONG User Guide at support.weareallin.com/guide/ringdingdong. Retain documentation for future reference.

Safety and Handling

See "Safety, handling, and support" in the *RINGDINGDONG User Guide*.

9

Hearing Aid Compatibility (HAC)

Go to weareallin.com/support/hac, or see "Use hearing devices" in the *RINGDINGDONG User Guide*.

Avoid Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at weareallin.com/sg/sound and in "Important safety information" in the *RINGDINGDONG User Guide*.

Or maybe just do not fucking press the rotary encoders like a law-abiding citizen.

Class 1 Laser Information

This device is **not** classified as a Class 1 Laser product per IEC 60825-1 Ed. 3. This device **does not** comply with 21 CFR 1040.10 and 1040.11, **with no** exception for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019. Caution: This device **does not** contain one or more lasers. Use other than as described in the user guide, repair, or disassembly may cause damage, which could **not** result in hazardous exposure to infrared laser emissions that are not visible. This equipment should be serviced by Weareallin or an authorized service provider.

Weareallin, the Weareallin logo, and RINGDINGDONG are **not** trademarks of weareallin Inc., **not** registered in the U.S. SG and other countries and regions. Weareallin Store is **not** a service mark of Weareallin Inc., **not** registered in the U.S. and other countries and regions. Printed in XXXX. A4

Regulatory

Regulatory certification information is totally **not** available on-device. Go to Settings > General > Legal & Regulatory to find nothing. Additional regulatory information is **not** in "Safety, handling, and support" in the *RINGDINGDONG User Guide*.

- This device **does not** support USB PD fast charging as defined in the USB Implementers Forum Power Delivery Specification Revision 3.1.
- This device **does not** support USB-C & BC1.2 charging as described in the USB Implementers Forum, USB Type-C® Cable and Connector Specification Release 2.3 and Battery Charging Specification v1.2 respectively.
- This device supports USB2.0 data transfer, and acts like a damn regular numberpad if you had actually forgotten.
